

(Above) **Model LH/B-2** Lantern Holder with Black enamel finish, will hold two lantern.
 (Left) **Model LH/G-180** Lantern Holder with galvanized finish, will hold one lantern.

SPECIFICATIONS:

- **Model LH-180** Series lantern holders shall be constructed of 2-3/8" OD x 11 ga. wall tube with a 180 degree radius bend forming an overhang to provide clearance for one campsite lighting device to hang from an open hook made of 1/2" dia. round steel rod. Hook shall be 79" (nom.) above ground level when pole is embedded 33" into concrete footing.
- **Model LH-2** Series lantern holders shall be constructed of a 2-3/8" OD x 11 ga. wall vertical tube with a welded crossbar formed with two 90 degree radius bends forming an overhang to provide clearance for one campsite lighting device to hang from an open hook on each side made of 1/2" dia. round steel rod. Hook shall be 76" (nom.) above ground level when pole is embedded 30" into concrete footing.
- **Standard:** Lantern holder shall be hot dip galvanized after fabrication to ASTM-A123 to maintain an average zinc coating of 2.0 oz. per sq. ft. of surface area (indicated by "/G" in model no.).
- **Optional:** An additional wheelchair accessible hook (indicated by "/A" in model no.) shall be welded to the lantern holder before galvanizing, extending from the pole 54" above ground surface level to provide a handicap accessible position for hanging campsite lighting devices. Model nos. becomes LH/G-180/A or LH/G-2/A respectively.
- **Optional:** Lantern holder shall be finished in black enamel paint. To specify, change "/G" to "/B" in model no., e.g. LH/B-180 or LH/B-2 respectively.
- **Optional Rules Plate:** A hot dip galvanized, 6" x 12" x 7 ga. steel plate with screws for attachment to lantern holder pole shall provide a surface for attachment of decals or adhesive signs posting park regulations, notices, and fees. Add "/RP" to end of model no. e.g. LH/G-180/RP or LH/G-2/RP.
- **Optional Shelf:** A one-piece welded 14" x 20" x 10 ga. utility shelf with reinforcing gussets and a "U" clamp for attachment to the lantern holder pole shall be available. All galvanized 3/8" fasteners shall be included. To order with on a new lantern holder, add "/S" to the end of model no., e.g. LH/G-180/S or LH/G-2/S. To order only the shelf to retro fit to an existing 2-3/8" OD round tube pole, order **Model LHS/G-1**.
- **Optional:** Color choices of powder coated finish for lantern holder and optional accessories. For optional colors choices see Specification Bulletin # SPC-CO-001.

- **Heavy 2-3/8" diameter 11 ga. wall steel tubing**
- **1/2" diameter steel hook**
- **Hot dip galvanized finish**
- **Optional Utility Shelf**
- **Optional Rules Plate**
