BENCH SIGNAGE (Cat. page 18)

CUSTOM FORMED LETTERING IN PLASTISOL COATED PERFORATED STEEL

Lettering is available on the backs and seats of Plastisol Coated Perforated Steel. The backs and seats are 12" wide and the letters are 8-1/2" tall. The message is limited by the combination of characters and number of characters that will fit on a specific length of bench. Please inquire with your specific message. A drawing showing the layout on the bench will be provided for approval. The price per bench seat or back is \$150.00

CUSTOM ROUTED LETTERING (Cat. pages 18 and 19)

Routed Lettering is available to create signage on bench backrests and table tops (resin filled letters recommended for tables). Available on Lumber or Recycled Plastic. Please inquire about letter sizes and spacing requirements. A drawing showing the layout on the product will be provided for approval.

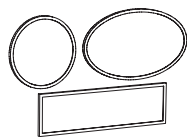

Set-up Charge per unique line of text on a board of a specific size (if text changes or is placed on a different sized board another charge applies) . . .	\$35.00
Cost per Routed Letter (in addition to the initial Set-up Charge)	2.50
Cost per Routed Letter with Colored Resin Fill (in addition to the initial Set-up Charge)	5.60
